Dear Ms. Singh,

Thanks to all of you for the attractive brochure and the added thoughtfulness of the stamps and labels. And for the cassetttes.

By now you should have had an order from local Hood College, which plans to use some of this in a course.

I hope the copies of the brochure I'll be sending will produce a little more interest.

If I get a reaction from Hood I'll send it along.

Sincerely,

Harold Weisberg
